

Accessible Lat Pull Down

SKU: 622ft270

Product Information:

Accessible Lat Pull Down users can remain seated in their mobility device or sit on the ergonomically designed seat and grip handles. Users will pull downward in a controlled manner engaging numerous upper body and core muscle groups. The isokinetic spring resistance creates a higher level fitness experience for the user in the outdoor fitness environment.

Available in J-bolt footing, Inground, and Surface Mount.

- Steel construction with rust resistant coating and heavy duty, vandal resistant housings
- Dual user design promotes socialization
- ADA Accessible
