

PRODUCT DETAIL

This skateboard deterrent is a ball and stud designed to be installed along the edges of concrete or stone benches, walls and planters. The standard GrinderMinders is made from solid stainless steel with a brushed finish.

AVAILABLE FINISHES

SOLID STAINLESS STEEL WITH A BRUSHED FINISH
(our most popular choice)

SOLID STAINLESS STEEL WITH A BLACK OXIDE FINISH
(soft, matte black appearance)

SOLID BRASS WITH A CLEAR POWDER COAT FINISH
(brass will maintain its shine)
