

Part of the world's first and largest range of retractable belt barrier systems

A durable, utilitarian post. Designed for indoor or outdoor use in any setting where portability and ease of storage are required. Bayonet mount makes set-up fast and breakdown easy. Built in carry handles make transport convenient and stackable bases keep storage to a minimum. Available with single or dual line belts, 5 post colors, and a variety of belt prints including preprinted safety messages.

Specifications:
