

## Sand Volleyball Official's Platform

SKU: 685se560 Specs

Perfect for Sand Court Volleyball Systems. Same great features as our indoor Clamp-on Officials Platform (VB73A), but with special sand skids instead of wheels to avoid sinking into the sand. Standard gray 1" thick player protection padding meets all NCAA, National High School Federation, USVBA rules. Powder coated 1" heavy wall tube construction. In addition to the gray, Black, Maroon, Navy, Royal and Scarlet padding is available at no additional cost. Other colors available for an additional charge. Five-year limited warranty on stand. Approx. shipping weight: 75#. Installation to be completed in accordance with manufacturer's instructions.
