STANDARD POWDER COAT COLORS

The steel framework used in the Park Warehouse product line delivers one of the industry's most durable protective coatings. Park Warehouse further enhances the durability by applying a superior powder coated finish. The process provides three layers of protection from harmful environmental elements, with very little maintenance.

STANDARD POWDER COAT

- Uniform coating
- Durability
- High-quality
- Attractive finish

HOT-DIP GALVANIZED

- Galvanized both inside and out
- Superior four-layer adhesion bond
- Excellent abrasion resistance
- Provides cathodic protection to the underlying steel
- Increases the useful life of steel
